

Prayer news: March 2024

Thank you for joining with us in prayer for men, women and families affected by homelessness and poverty.

City Centre

- Please pray for the opportunity to connect and develop relationships with the new guests who are coming to our lunch and dinner Drop-ins.
- Pray for the guests who come to our counselling service. These sessions address pain in their lives and it is not easy for them.
- Pray for the Bible studies we run. Pray that our guests are impacted and that they respond to the message of the Gospel.
- Pray for favour with rehab facilities and restoration projects as we try to get guests into programmes that will benefit them.

Child and Family Centre, Govan

- Please pray for the families that we work with who are struggling at the moment with a variety of different issues. Pray that God would bring stability, healing and peace to the situations they face.
- We have a SU camp for P5-7 children planned for 3rd-5th May. Pray for the children who have expressed an interest in going. Pray for their parents to support them in going and for the volunteers who have indicated that they may be able to help with the weekend.
- This Easter holiday we are planning to take the families out on trips, pray that these trips will be seen as acts of kindness and that the staff will have a chance to get to know the families/parents/carers whilst accompanying them.

Overnight Welcome Centre (OWC)

- Pray for our OWC guests, especially those who are waiting a long time for accommodation. This is difficult for their mental health.
- Pray for Glasgow City Council HSCP and the Scottish Government. We need a breakthrough in the housing crisis in the city. Pray for wisdom for them.
- Pray for the staff and volunteers. It has been a challenging and busy season. Pray for strength and a renewal for them as they see out this final month.
