

## Prayer news: April 2024

Thank you for joining with us in prayer for men, women and families affected by homelessness and poverty.

### City Centre

- It looks likely there will be an increase in people sleeping rough in Glasgow in April. Pray that the provision for these people will be good.
- Pray for our Guest Trainees; pray they would come into relationship with Jesus as they work and serve at the Mission.
- Pray for our new international men's coffee/bible time. Pray that relationships with each other and individual faith deepens.
- Pray for our guests in rehab; pray that they will know transformation in their lives. Pray that new folks will come to us who are hungry to break the cycle of addiction.

### Child and Family Centre, Govan

- Please pray for the Family Holiday Club trips taking place during the Easter holidays. In particular, we are taking nine youths from the local area to a Scripture Union day camp at Gowanbank in Ayrshire where they will enjoy outdoor activities and hear the gospel message. Pray that these young people are impacted by their experience.
- Pray for the Easter message that has been imparted in the nursery, the after school clubs, toddler groups and the adult work. Pray that every person will have been touched by it in some way, as we trust God for their salvation.
- Pray for the health and well-being of staff. Pray also that staff members will be steadfast, strong and motivated so that they can continue the vital work at the Child and Family Centre. Please pray also for new volunteers to help with the work.

### Overnight Welcome Centre (OWC)

- Pray for our OWC guests. As we close, there will be some left without accommodation solutions. Please pray for doors to open and for people to be able to access proper support.
- Pray for our staff and volunteers. After a difficult season, pray they get some much-needed rest. Pray that they have experienced God throughout the season. Pray for their futures, as some are looking for jobs.
- Pray for our city council, government, and partners. Pray for wisdom as they address the housing crisis in Glasgow. Pray for all support services across Glasgow, as they are very stretched and busy.
