

Mearns Free Church

Community Week

5th - 9th August

The Paris 2024 Olympics marks 100 years since Eric Liddell famously won the 400 metres in the 1924 Paris Olympics.

Join us for a week of activities for all ages as we explore more about the life and faith of a Scottish sporting legend whose heart lay in China.

All activities will take place at Belmont House School, home of Mearns Free Church, and are free to attend.
