

## Prayer news: June 2024

Thank you for joining with us in prayer for men, women and families affected by homelessness and poverty.

### City Centre

- The Bible Trauma Healing course is underway with guests from the City Centre Project and the Child and Family Centre. Pray for those who have started the course, pray that they will finish it and experience healing. Pray they will also build godly friendships during their time together.
- Pray for our new men's group. We are trying to decrease social isolation and talk about life issues in the context of various activities.
- Pray for our Board of trustees as they work on our future vision.
- Pray that we fill the position of treasurer on the Board very shortly.

### Child and Family Centre, Govan

- Please pray for the children who are moving on to school or another nursery. Graduation Day for those going to school is on 24 June; pray for a smooth transition and a great day celebrating this giant step in their education.
- Pray for the staff at the Child and Family Centre who will be moving on to new jobs and experiencing new seasons in their lives. Pray that they will be blessed, and that God would provide everything they need financially.
- Pray for new volunteers to help us through the summer programme and beyond. Pray that God will send skilled helpers who have a heart for our work.

### Overnight Welcome Centre (OWC)

- Pray for the planning of the Winter Project 2024/25. We have already started our conversations with the Scottish Government and Glasgow City HSCP who are key to this service. Pray for favour in those meetings.
- Pray for our guests who are rough sleeping or waiting on accommodation. Pray that a solution is found quickly for these individuals.
- Pray for a breakthrough in the housing crisis. People are still arriving in Glasgow looking for a home and accommodation is extremely limited.
