

KX2 Prayer Requests

6-13 July 2024

P6-S4

Give thanks ...

- for the **22 young people** who have booked to come to **KX2** on Arran. (we've had more bookings since the last prayer letter so thank you for praying!)
- for the **wonderful holiday staff at SU** who are so good at supporting us.
- for the **funding** that made it possible for some campers to be able to attend at all.
- for the enthusiasm and commitment of **the gifted KX2 team** of volunteers **that God has brought together** for this event.
- **for you!** We are so grateful for the many **prayer warriors** who faithfully pray for KX2. Year on year we see God honouring your prayers 😊

Pray fervently ...

- **for the team!** Pray that **Jesus' love** would bind the team together as one in **unity** as they **share His love** with the young people who come.
- for **Graham and Elaine Tait** as they **Team Lead** this event, **for leaders who are leading teaching times to the whole camp and in discussion groups**, for our **wonderful trainee Adam** who is leading with us for the first time.
- **for all the campers!** That **lives would be changed** and **for lasting friendships** so that young people can encourage each other in their faith. (Also, 10 spaces left!)
- for **campers with additional support needs**, that what is needed is provided.
- **for the cooks and site staff!** That these wonderful people are blessed and feel as much a **part of the camp** as everyone else.
- **for ease of travel**, that the boats would run (!) and for **the travel leaders** as they meet (possibly anxious) campers for the first time.
- for **good health and safety** for everyone who is attending – staff, volunteers and young people.
- **that young people and leaders would be challenged in their faith journey with Jesus** as we all learn together about our amazing God.
- for **good weather!**

This year we sent out a few prayer updates in the lead up to camp. **Was that helpful or was it too much?** If it was helpful to just one person we would do it again. 😊

Elaine would **really** appreciate prayer in her new role as **SU Scotland's ASN Development Coordinator**. If you would like to receive prayer updates from her and support this ministry in prayer, financially or by volunteering please email her at Elaine.Tait@suscotland.org.uk or WhatsApp her your email address and she'll be in touch 😊
